

As you all know by now the Aquatic Centre has taken over the administration of Glennie Gymnastics. We do appreciate your patience during the transition while the Aquatic Centre, Gym staff and management analysed processes and procedures to update and create a new system. We recently sent the June booking information for Comp girls & unfortunately you received 4 emails rather than the one we intended to send which shows all bookings. Apologies! We wish to create a positive experience for all involved and we can only do this if we are aware of your needs through feedback and communication. Please let us know if you think there is anything we can do to improve! Thank you *Shannon*

## **MONTHLY GYM COMP TRAINING FEES**

We have moved to a monthly fee structure to support ongoing training throughout the year, including school holidays. For those gymnasts in the competition team the opportunity to train year round is invaluable and we encourage you to do so. We do understand that some families will not train during the holidays and provisions have been made for this. There will also be four weeks of imposed holiday during the year - this has been taken into the account when working out the monthly fees.

You will receive an email booking confirmation at the very end of each month for the following months fees. Full payment should be made by the 7th of each month. Payment options include;

- In person or over the phone at the Aquatic Centre office (Office hours: Mon, Tue, Wed, Fri, Sat 9 -11am, Mon - Fri 3:15-5:15pm)
- Glennie online sundry payments (via [Glennie.qld.edu.au](http://Glennie.qld.edu.au) - top right hand corner). Please ensure you send a payment confirmation to [aquaticadmin@glennie.qld.edu.au](mailto:aquaticadmin@glennie.qld.edu.au)
- In certain circumstances a payment plan can be arranged with the Manager.
- Glennie students training fees will be charged to their account unless you advise the Aquatic Centre office otherwise. This means we will be charging three full months to your account each term.

Monthly fees include regular training sessions as per the timetable and not events, competitions or QLD registration.

No refunds or credits will be applied for short term sickness. Illness or injury for extended periods of time (longer than 1 week) will require a medical certificate. A \$12 discount will be applied for missed training days in this instance.

Additional holidays taken by a family will receive a \$12 discount per training day off the monthly fee - please advise us if this is the case so the discount can be applied! This is for extended breaks during school holidays and will not include short breaks during regular term time training.
